

HOTEL DE LA POSTE

The Hotel de la Poste, a 3-star hotel that was completely renovated a few years ago, is a magnificent 18th-century residence that received eminent visitors such as Goethe and Rilke.

Its special feature is that the rooms are not numbered, and the design of each one, from floor to ceiling, takes as its theme one of the trees that grows in the region.

For a meal for two or for a family celebration, the restaurant "Le Trèfle" offers you a mediterranean cooking.

The hotel enjoys a convenient position in the centre of the Sunshine Town, in the Place de l'Hôtel de Ville. It is close to the SBB railway station, and just a short walk from the funicular railway that connects Siere to the resort of Crans-Montana.
