

# RAFTING, KAYAK AND FUNYAK

Enjoy the power and wild beauty of the Rhone in Finges and the power of the Vispa in the centre of Salquenen (Swissplage campsite). You will experience an unforgettable adventure with certified instructors, who have worked in several hemispheres and are internationally recognized.

You can fill your eyes and heart with unforgettable images of **Finges National Park** and the mountains.

From 7 to 100 years old, from rafting to inflatable kayaking (funyaks), you will live an unforgettable experience. And not to forget the little children, tubing is the perfect activity for families with children from 4 years old.
