

RESTAURANT – LA VILLA

In the former Villa Bayard, the Villa team welcomes you in a renovated and warm space.

The Villa stands out with rooms of excellent quality/price ratio, right in the city centre.

Its garden will give you a moment of relaxation and escape. Moreover, all year round, if the sun is not there, our team brings it to you (Sierre is called the "City of the Sun") thanks to its smile and friendliness.

The famous ski resort of Montana is only 12 minutes away by funicular (direct schedule, departure in front of the hotel). The other valleys are accessible all year round by public transport or private vehicle.
