

# STAY AT THE CASTLE MERCIER

Discover the castle Mercier from a different perspective while staying there.

## THE CASTLE SERVICES

In the middle of its four hectares of gardens open to the public, the **castle Mercier** has become a meeting centre that can accommodate up to 80 people for seminars, receptions, weddings, conferences, etc.

Rooms equipped with all technical facilities, catering and accommodation service, private parking should be able to meet your requirements.

The **castle Mercier** also offers you a most original cuisine. The majority of the prepared dishes are homemade dishes, made from products grown in the estate's gardens and orchards. The numerous menu proposals at your disposal will not fail to amaze your palate in a warm and exclusive setting.

## SLEEPING AT THE CASTLE MERCIER

The 23 rooms of the castle have all been renovated and restored in the spirit of the original construction. However, they offer the comfort and amenities expected by demanding guests, in a family and exclusive atmosphere. Each group staying here is unique. The accommodation offer is reserved for groups using a minimum of 10 rooms, except during specific special periods during the year.
