

# THEATERS

## Watch new film releases in theaters of the region.

The two cinemas in the city offer 3 to 4 new films per week (also in 3D). Originality: live and HD broadcasts of opera or ballet shows performed in the most prestigious venues in the world.

### Le Bourg

In addition to its usual poster, "Le Bourg" hosts original events throughout the year:

- Live and high definition broadcasting of the operas of the legendary **Metropolitan** in New York. The season offers about ten performances. Organisation: **Ecran Total**, a voluntary association for the promotion of Sierras cinemas.
- Screenings as part of the **Dreamago** mini-festival.
- Films offered by the **Lanterne Magique**, a film club for children aged 6 to 12.
